

Your photos. A new life *in ink.*

Choose the colours. Shape the halftone.
Let the paper become part of the picture.

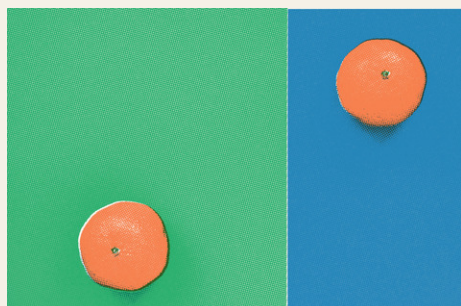

CITRUS CIRCUIT / ORANGE • GREEN • BLUE

Pressed turns photographs into expressive digital print artwork on iPhone and iPad.
Free to download. Optional Pressed Plus: US\$9.99, one-time purchase.

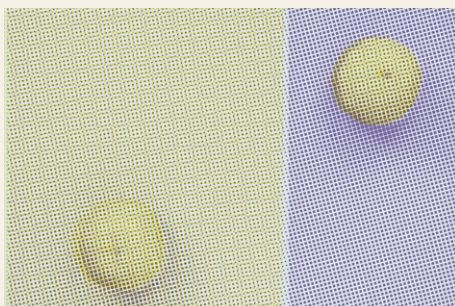

Six ways to see again.

Three photographs. Six individually composed presses. Each treatment changes the palette, paper and screen around the subject.

01 Citrus Circuit

Orange / green / blue
Round · White paper

02 Acid Cut

Violet / yellow
Square · Pale blue paper

03 Rose and Leaf

Bright red / forest
Elliptical · Blush paper

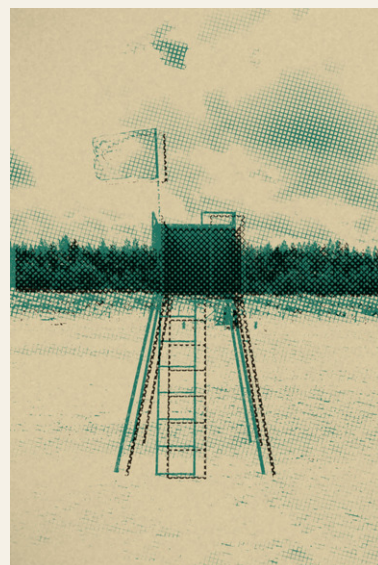

04 Botanical No. 2

Burgundy
Grain · Cream paper

05 Signal

Crimson / steel / sunflower
Line · White paper

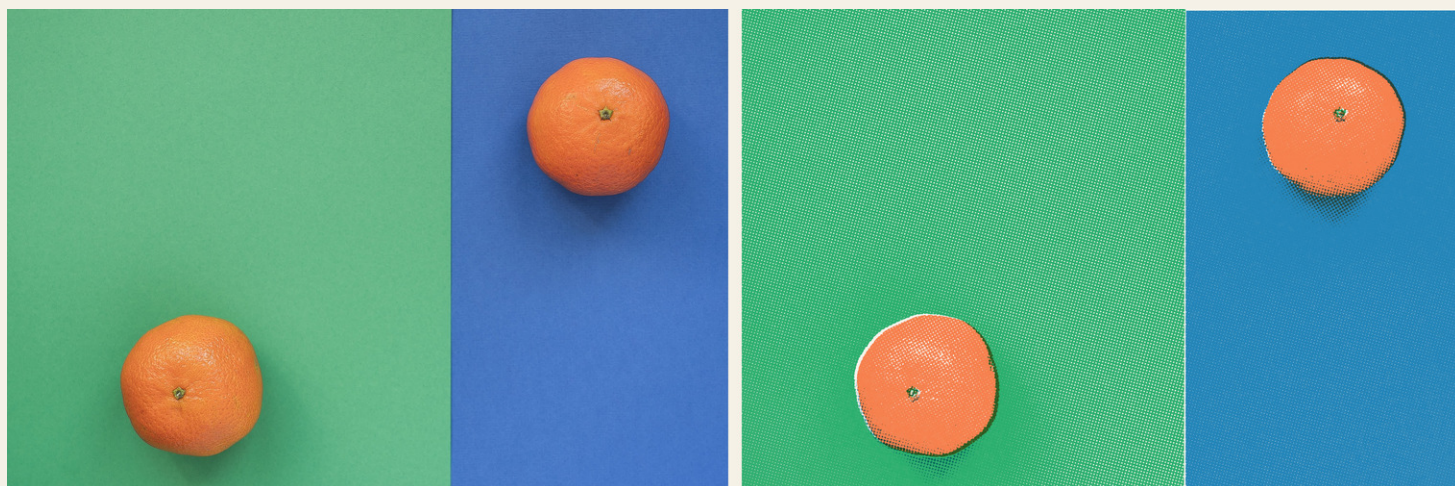

06 Night Watch

Ink black / teal
Hatch · Manila paper

Digital artwork, not a physical edition. Full-size RGB JPEGs and the six custom press recipes are included. These study recipes are not advertised as bundled presets.

See what the ink changes.

Original on the left. Pressed result on the right. The same framing lets colour, texture and detail tell the story.
